Ph.D. Minor in Ethnomusicology

The Ethnomusicology Program offers an interdepartmental doctoral minor that enables students to take courses in ethnomusicology from several departments. Students wishing to enroll in the program must first consult with the program director. An advisor will be assigned to each student, taking into consideration the academic interests of each individual.

Graduate students may pursue a concentration in ethnomusicology at the M.A. and Ph.D. levels through the Department of Folklore and Ethnomusicology; consult the requirements for that department.
