Degree Offered

Master of Liberal Studies

General Information

The Master of Liberal Studies (M.L.S.) program in the School of Arts and Sciences provides opportunities to engage your curiosity in an intellectual exploration of the world of ideas. But the rewards of the pursuit of knowledge go beyond intellectual satisfaction. You will gain a refreshed approach to an enriched personal and professional life through a program that reinvigorates curiosity and creativity. You'll gain fresh perspectives and the critical thinking, analytical, and communication skills so valued in today's workplace.

Students begin with an introduction to graduate liberal studies and interdisciplinary methodology, and then enroll in at least three core seminars in the humanities, the sciences, and the social sciences. Seminars combine detailed study of a particular topic with a broad interdisciplinary examination of ways of understanding. The M.L.S. program draws on faculty with diverse expertise to explore topics through a multidisciplinary approach.

Master of Liberal Studies Degree

Academic Curriculum (30 cr.)

(All courses are 3 credit hours unless otherwise designated.)
After successfully passing the introductory proseminar and the core seminar requirements for the program, students may select from one of two options to complete their M.L.S. degree.

Proseminar

D510 Introduction to Graduate Liberal Studies

Core Seminars

D501 Humanities Seminar
D502 Social Sciences Seminar
D503 Science Seminar

Each of the core courses is a graduate seminar combining detailed study of particular topics with broad interdisciplinary perspectives. These courses give students the opportunity to explore the connections that exist among the diverse discipline and perspectives that define contemporary knowledge.

Electives

D511 M.L.S. Humanities Elective
D512 M.L.S. Social Science Elective
D513 M.L.S. Science Elective
D514 Graduate Liberal Studies Overseas Study
D594 Liberal Studies Directed Readings*
D596 Liberal Studies Independent Research*

Electives offer students a wide variety of choices with which to create programs of study suited to their individual interests. These elective courses may be selected to build support and background for the graduate project, or to enable students to more ably participate in the public intellectual, artistic, and cultural life of their communities. In addition to the above, students may also repeat core seminars (each may be taken up to two more times under a different topic); take up to three 300- and 400-level undergraduate courses with a Request for Graduate Credit Contract listing extra work; and/or take graduate courses from other IU South Bend departments, divisions, and schools.*

To complete the Master of Liberal Studies degree, students must choose one of the following curricular options:

Independent Research/Creative Activity Option (33 cr.)

The Independent Research/Creative Activity Option offers students the opportunity to work closely with a faculty committee and to complete a final project designed around their unique interests. Students must take 12 credits of electives and then successfully complete their program with a graduate project. The graduate project is an independent scholarly enterprise in which the student demonstrates mastery of a specific topic. Examples include a thesis, a computer program, a translation of a work of literature, or an artistic composition or performance.

Electives (12 cr.)

Capstone Experience (9 cr.)

D601 M.L.S. Project Proposal Seminar (3 cr.)
D602 Graduate Project (6 cr.)

Public Intellectual Option (33 cr.)

Upon completion of two additional core seminars and 12 credits of electives, the Public Intellectual Option offers students the opportunity to work within a learning community made up of other students and led by a faculty facilitator to explore the variety of genres through which public intellectuals communicate, and to create their own portfolio of public intellectual work to be submitted for completion of the M.L.S. degree.

Additional Core Seminars (6 cr.)

Electives (12 cr.)

Capstone Experience (3 cr)

D600 Public Intellectual Practicum (3 cr.)

Academic Regulations

Students must have their programs of study approved by the M.L.S. program director.

Courses taken for graduate credit at the 300 or 400 level include additional assignments beyond those required for undergraduate credit. Enrollment in such courses requires the approval of the instructor and of the M.L.S. program director. Students may take up to 9 credit hours of electives in a single academic program.

An average grade of B (3.0) is required for graduation, and no course with a grade lower than B- (2.7) will be counted toward the degree. Students are required to retain good academic standing, i.e., to maintain a GPA of at least 2.7. Failure to maintain good standing may result in dismissal from the program.

Other academic regulations and policies are established by the Graduate Liberal Studies Committee of the College of Liberal Arts and Sciences. Students are to consult the M.L.S. program director for further information.

*M.L.S. students may take no more than a total of 6 credit hours of D594 and D596 combined.
