

# IU School of Continuing Studies

## Welcome to the School of Continuing Studies!

### A Statement from the IUPUI Director Renee Betts

The School of Continuing Studies is dedicated to providing quality educational opportunities for adult learners in central Indiana. The program brings the resources of Indiana University and the innovative spirit of IUPUI to people who cannot get their educational and professional needs met by a traditional degree program. Whether on campus, off campus, or at a distance, the IUPUI Continuing Studies staff is dedicated to providing excellent student services with an emphasis on the needs of busy adult learners.

We look forward to helping you build a vision for your future.

## Overview

### Mission

The school plans and provides both credit and noncredit programs/courses that are offered in various learning formats at convenient times and locations. These programs/courses include:

- Bachelor of General Studies
- Master of Science in Adult Education
- Noncredit certificate programs
- Credit and noncredit programs
- Courses for professional development and personal growth
- Conferences, workshops, and seminars on a wide range of subjects
- Evening and outreach programs
- Weekend courses
- Web courses
- Workforce development and training

The School of Continuing Studies also provides specialized courses for on-site delivery at businesses, industries, and other off-campus locations via telecommunication and other electronic technologies.

## Contact Information

## General Studies Degree Program

The School of Continuing Studies administers the General Studies Degree Program, which extends to students the opportunity to pursue a college education regardless of work schedules, domestic responsibilities, or location. Students may fulfill degree requirements by taking on-campus courses, web, or a combination of both.

The core of each general studies degree is a broadly based education encompassing the arts and humanities; the social and behavioral sciences; and mathematics and

natural sciences. The curriculum expands students body of knowledge and awareness of major areas of human experience. A general studies education is not limited in scope; it establishes the foundation for a lifetime of learning and serves as the framework for a productive professional and personal life.

The B.G.S. provides basic preparation for many careers and graduate programs. B.G.S. graduates are employed in various professional fields, including education, law, government and social service, real estate, and private industry. Many B.G.S. recipients have gone on to graduate programs in fields such as anthropology, business, divinity studies, education, fine arts, international affairs, law, library science, management, medicine, nursing, public health, and social work. B.G.S. graduates have earned masters degrees and doctorates at Indiana University and other universities.

In addition to enrolling in regular session courses at any Indiana University campus, students may fulfill general studies degree requirements in various ways, including credit by examination, credit for educational programs in noncollegiate organizations, military service credit, and credit for courses completed at other regionally accredited institutions.

## History

Created in 1975, the School of Continuing Studies reflects the commitment of Indiana University and the state government to meeting the educational needs of adult citizens. The school consists of the following units:

- Academic Programs
- Financial Administration
- Marketing and Communication
- Learner Services
- Campus Divisions

## Application Procedures

Students interested in pursuing a general studies degree should apply for admission to the School of Continuing Studies as follows:

- All applicants must submit an [application](#).
- Citizens of other countries, including those in the United States on immigrant visas, must submit TOEFL scores and a 300- to 500-word handwritten essay. The essay is to be written on a topic of the students choice and may include autobiographical information. Students who intend to pursue a general studies degree at IUPUI must submit the [international application for admission](#).
- Applicants who have not previously attended a college/university as a degree student must submit official copies of their high school transcripts or evidence of having earned a GED high school equivalency diploma.
- Applicants who have previously attended a college/university must request that the college(s) or university(ies) attended forward official transcripts to IUPUI General Studies Degree Program Office, 518 Indiana Ave, Indianapolis IN, 46202.
- Applicants who are veterans should submit a copy of the DD214 form.
- Applicants presently on active duty should request an official copy of their AARTS, SMARTS, or

Community College of the Air Force transcripts from their education officer.

- Applicants who have completed educational programs/courses in noncollegiate organizations must request that official records of program/course completion be sent directly from the awarding organization.
- Applicants who have taken the College-Level Examination Program (CLEP), the Defense Activity for Non-Traditional Support (DANTES) exams, or the ACT-PEP Regents (Excelsior) College exams should request that official transcripts of their exam scores be sent directly from the testing agency.
- Applicants who have been placed on academic probation, dismissed, or denied readmission to a previously attended school must provide a letter explaining the circumstances and the reasons they believe they will now be successful.
- Applicants should submit application materials to: General Studies Degree Program Office, 518 Indiana Ave, Indianapolis, IN 46202.
- For questions, please call (317)278-7600.

### Admission Deadlines

- New Student -- has never attended Indiana University, any campus: Fall - July 1st; Spring - November 15th; Summer - March 30th
- Returning Student -- has not been enrolled for more than two years and has a minimum 2.0 cumulative grade point average at Indiana University: Fall - August 1st; Spring - December 15th; Summer - April 30th
- Current Student: -- is currently enrolled and has a minimum 2.0 cumulative grade point average: Fall - September 5th; Spring - January 25th; Summer - May 20th

The official date of a student's admission is the date the student is accepted into the General Studies Degree Program. This date does not necessarily coincide with the date the application was processed by the Office of Admissions. Current course work of students whose admission has been approved on or before the campus pass/fail deadline will be considered course work taken after admission to the General Studies Degree Program.

### Application Fees

Applicants who have not previously attended Indiana University must pay a nonrefundable application fee at the time they submit their application. As of January 2012, the application fee is \$50.00. Application fees are subject to change without notice.

## Transfer Students

### Transfers from and within Indiana University Campuses

Students with previously earned credit from any academic program on any Indiana University campus may apply to pursue a general studies degree. Credits are evaluated on a course-by-course basis. (To find out how to apply previously earned Indiana University credit to a general studies degree, see Credits from Indiana University.)

Students with academic deficiencies (cumulative GPA below 2.0) may be admitted on probation. Students who have been dismissed from another academic unit of Indiana University and whose cumulative GPA is below 2.0 will not be considered for admission for at least one academic year from the date of dismissal.

### Transfers from Other Colleges/Universities

The School of Continuing Studies welcomes students who want to transfer from other regionally accredited colleges/universities. Applications for transfer admission are evaluated on the basis of applicants' cumulative GPA and the number of credits earned in all subjects. Transfer credit is awarded only for courses in which students earn a minimum grade of C in curricula similar to those offered by Indiana University.

Acceptance of credit from other institutions is determined by the Indiana University Office of Admissions, and the applicability of credit toward degree requirements is determined by the School of Continuing Studies. Only credits earned at Indiana University are calculated in a student's cumulative GPA.

Students who have been dismissed from other postsecondary institutions will not be considered for admission to the General Studies Degree Program for one academic year from the date of dismissal (students are not reinstated for summer sessions).

### Recognition of Previously Earned Credit

Many students have previously earned academic credit from Indiana University or other institutions. These students may be eligible for credit by examination. Previously earned credits are applied to the requirements of the B.G.S. according to the following guidelines:

#### Credits from Indiana University

A maximum of 100 credit hours previously earned at Indiana University may be applied to the B.G.S. Courses in which grades of D+, D, or D- were earned may be used as elective credit only; they will not be used to satisfy course distribution requirements.

#### Credits from Other Institutions

A maximum of 90 hours of transfer credit from other regionally accredited colleges/universities may be applied to the B.G.S. NOTE: A maximum of 64 transfer credits from two-year, community colleges may be applied to the B.G.S.

#### Credit by Examination from Other Institutions

Students wanting to transfer credit by examination earned from other institutions must have satisfactorily completed sequential courses in that subject area before transferring.

## Undergraduate Program

### Academic Guidance

A counselor provides guidance for each General Studies Degree Program candidate. Note: Although students are encouraged to seek the advice of a General Studies Degree Program counselor, students are responsible for planning their own programs and meeting the degree requirements for graduation.

## General Requirements for the Bachelor of General Studies (B.G.S.)

(Students must check with their home campus regarding how courses apply to their degree.)

- Students must successfully complete a minimum of 120 credit hours to graduate.
- Students must successfully complete at least 69 of the 120 required credit hours in the arts and sciences. No more than 21 of these 69 credit hours—may be taken in a single arts and sciences department or subject area. In addition, no more than 30 of the 51 credit hours allowed outside the arts and sciences may be taken in any one professional school or technical program.
- Students must successfully complete at least 30 of the 120 required credit hours at Indiana University. Earning credit through an academic department examination at Indiana University is equivalent to having completed that course at Indiana University. Credits earned by Defense Activity for Non-Traditional Education Support (DANTES), and College-Level Examination Programs (CLEP) may not be applied to this 30 credit hour requirement.
- Students must complete at least 20 credit hours after admission to the General Studies Degree Program. This should be Indiana University course work. Credits earned by self-acquired competency, Defense Activity for Non-Traditional Education Support (DANTES), and College-Level Examination Programs (CLEP) may not be applied to this 20 credit hour requirement.
- Students must successfully complete at least 30 of the 120 required credit hours at the 300 and 400 upper-division level.
- Students must earn a minimum cumulative GPA of 2.0 on all courses considered for the B.G.S. and on all courses completed after admission to the School of Continuing Studies. C is the minimum grade accepted for any course completed to satisfy course distribution requirements.
- Students must also fulfill the fundamental skills and course distribution requirements (see Fundamental Skills Competency Requirements below and Course Distribution Requirements).

### Fundamental Skills Competency Requirements

For the B.G.S., students must satisfy fundamental skills competency requirements that demonstrate college-level competency in six areas: written communication, intermediate writing course, oral communication, quantitative reasoning, computer literacy, and diversity.

Students may demonstrate competency by completing an appropriate college-level non-remedial course or its transfer equivalent in English composition/writing, speech/communication, quantitative reasoning, computer science, and diversity; by earning a grade of C or higher in a 3 credit hour course.

A course that fulfills one of the six competency requirements at any Indiana University campus fulfills that requirement for the IUPUI General Studies Degree Program. Acceptable grades for courses meeting

competency requirements must be consistent with the campuses requirements.

## Awards & Scholarships

The School of Continuing Studies offers several scholarships for general studies degree students. Available to both full and part-time students, the scholarships are based on financial need and academic merit, and usually range from \$500 to \$750 per academic year.

The scholarships may also be eligible for the matching program at the Office of Student Financial Assistance (OSFA), doubling their actual value. Scholarship applications may be obtained from any general studies office until March 15, the application deadline. Check our [website](#) for additional information.

### [IUPUI Community Learning Network/General Studies Degree Program](#)

Phone: (317) 278-7600  
Fax: (317) 274-5041

## Degree Programs

### Course Distribution Requirements for the Bachelors of General Studies (B.G.S.)

Twelve (12) credit hours are required in each of three learning areas: arts and humanities, science and mathematics, and social and behavioral sciences. Students must also complete an 18 credit hour concentration in one of these three learning areas. The 12 credit hours required in each learning area, as well as the 18 credit hour concentration, must include courses from at least two academic departments.

An additional 66 hours of elective credit including a minimum of 15 additional credit hours in the arts and sciences and no more than 30 credit hours in any one professional school or technical program must also be completed to fulfill B.G.S. requirements.

Arts and Humanities	12 credit hours
Science and Mathematics	12 credit hours
Social and Behavioral Sciences	12 credit hours
Concentration	18 credit hours
Arts and Sciences Electives	15 credit hours
General Electives	51 credit hours
Total Credit Hours Required for the B.G.S.	120 credit hours

### Completing Course Distribution Requirements

Each general studies degree requires completion of course work in three learning areas: arts and humanities, science and mathematics, and social and behavioral sciences. These requirements provide students with a broad exposure to the humanities and sciences. To fulfill the requirements, students may choose from a wide variety of subject fields within each learning area. These subject fields are described below. Note: The subject fields grouped under the three learning areas may vary among Indiana University campuses. Students should

consult their General Studies Degree Program counselors for their campuses specific requirements.

### Arts and Humanities

The distribution courses in this learning area provide knowledge and interpretive frameworks through which students may reflect on the complexity of human history, assess the difficulties of determining moral values, appreciate the range and value of human emotion and thought, and be sensitive to the varieties of aesthetic expression. The following departments offer courses that fulfill the arts and humanities distribution requirement:

- Afro-American Studies
- American Studies
- Classical Studies
- Comparative Literature
- English
- Fine Arts
- Folklore
- Foreign Language Courses
- History
- History and Philosophy of Science
- Musicology and Music History
- Philosophy
- Religious Studies
- Speech
- Theatre and Drama

### Science and Mathematics

The distribution courses in this learning area provide an appreciation of the physical and biological environment, introduce students to the discipline of systematic inquiry, provide insight into experimental methods and results, and illustrate the role and methods of the mathematical sciences. The following departments offer courses that fulfill the science and mathematics distribution requirement:

- Anatomy and Physiology
- Astronomy
- Biology
- Chemistry
- Computer Science
- Geology
- Mathematics
- Microbiology
- Physics
- Plant Sciences
- Zoology

### Social and Behavioral Sciences

The distribution courses in this learning area provide students with the means to analyze and understand the social institutions in which they live, as well as the behavior of individuals in relation to one another and the world. The following departments offer courses that fulfill the social and behavioral science distribution requirement:

- Anthropology
- Economics
- Geography
- Linguistics

- Political Science
- Psychology
- Sociology

### Completing B.G.S. Concentration Requirements

B.G.S. students must complete a concentration area by adhering to the following guidelines:

- 
- Students must complete an additional 18 credit hours in one of three learning areas: arts and humanities, science and mathematics, or social and behavioral sciences.
- Students must complete courses from at least two departments in the learning area they select for their concentration area.
- Students must earn a minimum grade of C in courses used to fulfill the concentration requirement. Passing grades below C may be used only as elective credit.

### Completing Elective Requirements

B.G.S. students may select any of the nonremedial, nondevelopmental courses offered by Indiana University to fulfill elective requirements. These electives enable students to explore diverse academic areas of interest and to tailor their general studies degree to their individual needs. Students are encouraged to consult with their General Studies Degree Program counselors and to choose courses in subjects related to their academic, professional, and personal interests.

### Minors and Certificates

#### Completing Optional Minors

Student completing their degree on an IU campus may earn a minor in conjunction with the Bachelor of General Studies (B.G.S.). Students must discuss this possibility and obtain written approval from the school or department awarding the minor. Students pursuing their degree via distance education do not have the option of earning a minor in conjunction with the B.G.S.

#### Completing Optional Certificates

While meeting degree requirements, general studies students may simultaneously fulfill requirements for certain certificates. For example, the certificate in hospital accounting may be completed by at-a-distance (non-campus-based) General Studies Degree Program candidates, as well as by students enrolled on any Indiana University campus.

Most Indiana University campuses offer additional certificate programs that may be completed by local on-campus students. For more information on earning certificates, students should consult their General Studies Degree Program counselors.

### Student Learning Outcomes

#### Bachelor of General Studies (B.G.S.)

Students who complete the general studies undergraduate program will achieve the following objectives:

### General Studies Core Competencies

1. **Communication/Written/Oral:** Students effectively communicate in written or spoken language to diverse audiences. Students comprehend, evaluate and respectfully respond to the ideas of others.
2. **Diversity:** Students appreciate local and global diversity and are respectful and empathetic during personal interactions. Students effectively collaborate and resolve conflicts.
3. **Mathematical/ Quantitative Reasoning:** Students demonstrate the ability to use symbolic, graphical, numerical, and written representations of mathematical ideas. Students compute, organize data and effectively problem-solve using quantitative tools.
4. **Computer:** Students locate, critically evaluate, synthesize, and communicate information in various traditional and new media formats. Students understand the social, legal, and ethical issues related to information and its use.

### General Studies Degree Requirements

1. **Arts and Humanities:** Students interpret and critique the historical, cultural and literary dimensions of human experience. Students develop an appreciation of the aesthetic value of these subjects.
2. **Science and Math:** Students investigate, evaluate and develop skills to comprehend and apply basic principles of scientific methodology and differentiate among facts and theories.
3. **Social and Behavioral:** Students compare, contrast and construct an understanding of the role social, economic, cultural and political institutions play in shaping human thought and behavior. Students are able to function as engaged members of society, who are willing and able to assume leadership roles.

### General Studies Academic and Career Development

1. **Academic Planning:** Students assess their own knowledge, skills and abilities and develop plans of study for degree completion.
2. **Career Planning:** Students identify classes, minors and/or certificates that will enable them to achieve career goals upon graduation.
3. **Distance Education:** Students develop computing and communication technology skills in the growing open and distance learning environment.

## Academic Policies & Procedures

### Graduate Credit Hours

Graduate-level courses are often completed for personal enrichment; the credits are generally not applied to the undergraduate degree program. However, with prior approval, a maximum of 6 graduate credit hours may be applied to the B.G.S. The application of more than 6 graduate credit hours must have the director's approval.

### Remedial Course Work

Remedial courses are not college-level courses and therefore do not count toward the B.G.S.

### Minors and Certificates

*Completing Minors* Students completing their degree on an IU campus may earn a minor in conjunction with the B.G.S. Students must discuss this possibility and obtain written approval from the school or department awarding the minor.

*Completing Certificates* While meeting degree requirements, general studies students may simultaneously fulfill requirements for certain certificates. For more information on earning certificates, students should consult a General Studies academic advisor.

### Program Planning and Counseling Guidelines

The experience of faculty, academic advisors, and successful students suggests the following guidelines for effective planning of undergraduate programs.

*Requirements* Students should be thoroughly familiar with the school's general requirements, competency and course requirements, and academic policies.

*Counseling* Students consult with a General Studies Degree Program academic advisor as an integral aspect of the School of Continuing Studies enrollment process. The academic advisor assists students in formulating a plan of study, which includes the required and elective courses that students must take to earn their degree.

Students should discuss with their academic advisor the appropriate method to establish fundamental skills competency requirements: specific courses, College-Level Examination Programs (CLEP), Defense Activity for Non-Traditional Education Support (DANTES) examination, departmental examination, or departmental exemption.

### Pass/Fail Option

B.G.S. students in good academic standing may enroll in a maximum of eight elective courses taken with a grade of P or F.

Courses taken pass/fail must be electives. They may not be used to satisfy any of the course distribution requirements nor counted as part of a student's concentration area. The courses may be used to meet the B.G.S.'s 300- to 400-level course requirement and fundamental skills competency requirements.

### Withdrawal from Courses

Students must view the IUPUI Schedule of Classes found on the Registrar's website to verify deadlines and procedures for a current term.

## Academic Standing of Students

### Candidates for Degrees in Good Standing

Students are considered to be candidates in good standing for a general studies degree when they have:

1. been officially admitted to degree status.
2. earned a minimum academic GPA of 2.0 for the last semester's work.
3. earned a minimum school GPA of 2.0
4. earned a minimum cumulative GPA of 2.0

## Graduation Certification

Candidates for graduation initiate the certification process by filing out the [Graduation Application](#). Students should consult with their General Studies academic advisor at the time they enroll for their final semester/course.

## Degrees Awarded with Distinction

The School of Continuing Studies recognizes outstanding performance in course work by awarding degrees with three levels of distinction: distinction, high distinction, and highest distinction. The level of distinction is determined by the overall GPA of each graduating class.

In order to graduate with distinction, students must have successfully completed 60 graded Indiana University credit hours for the B.G.S. Remedial courses and courses taken on a pass/fail basis are not counted.

## Dean's List

General studies students are placed on the School of Continuing Studies Deans List when they have:

- Completed after admission to the School of Continuing Studies at least 12 credit hours of graded course work. (Grades of FX, I, P, R, S, and SAC are not counted in the 12 credit hours.) The course work must have been completed during the previous academic year (from August 1 to July 31). Note: Independent study courses must be completed by August 31 for Deans List consideration.
- Earned a minimum GPA of 3.5 for applicable credit hours. For part-time students, all course work completed during the previous academic year (from September 1 to August 31) is included in calculating the GPA. For full-time students, one semester (or both summer sessions) in which a minimum of 12 credit hours is completed may be considered in calculating the GPA.

Students placed on the Dean's List receive a letter and certificate signed by the dean.

## Academic Probation

Students are automatically placed on academic probation whenever their GPA for a full-time semester or a 12 credit hour unit of work is below 2.0. Students academic performance and the academic performance of students who have been admitted on probation will be evaluated upon completion of an additional 12 credit hours at Indiana University.

Students will be removed from probationary status if their GPA for these 12 credits is at least 2.0 and if their cumulative GPA is at least 2.0. If a probationary student's GPA for the additional 12 credits is 2.0 but the cumulative GPA remains below 2.0, probationary status will be continued for another 12 credit hour unit of work; the cumulative GPA must be raised to at least 2.0 during this time, or probationary students will be dismissed (see below).

## Dismissal

Students are subject to academic dismissal when they fail to make satisfactory progress toward their degree. Students will be dismissed whenever their GPA for a full-

time semester or a 12 credit hour unit of work is below 1.0 and their cumulative GPA is below 2.0.

Probationary students will be dismissed if their GPA for the additional 12 credit hour unit of work is below 2.0. Students whose probationary status has been continued for a second 12 credit hour unit and who fail to achieve a cumulative GPA of 2.0 will also be dismissed.

## Readmission to the School of Continuing Studies

The director of general studies may consider petitions for readmission from students who have been dismissed. The director may recommend reentrance without delay if warranted by exceptional circumstances and if the director believes the student will make satisfactory progress toward the degree. Students dismissed a second time may not be admitted for the next regular semester, but they are eligible to submit a petition for readmission after at least one regular semester has elapsed.

## Academic Forgiveness

Upon successful completion (minimum GPA of 2.0) of 12 credit hours in the General Studies Degree Program, the following policies take effect:

- At a student's option, grades of D or F earned at Indiana University five years or more before admission to the School of Continuing Studies may be deleted from the internal School of Continuing Studies record. The cumulative GPA on the Indiana University transcript will not change.
  - Students may request forgiveness of an unsatisfactory semester or 12 credit hours of part-time work at Indiana University if the semester/12 credit hours is/are within a five-year period before admission to the School of Continuing Studies. Although all Indiana University courses remain on a student's permanent record, the school can exclude all credits attempted and grade points earned during this unsatisfactory semester/12 credit hours when computing a student's School of Continuing Studies GPA.
- NOTE:** If students exercise this option, none of the grades and credits earned during the unsatisfactory semester/12 credit hours may be applied to a general studies degree. Therefore, students are advised to consult with their General Studies Degree Program counselor about this policy's advisability.

**NOTE:** Although the options above allow unsatisfactory grades to be removed from the School of Continuing Studies internal record, the grades remain on the official record maintained by the Indiana University Office of the Registrar.

## Special Opportunities

### Credit by Examination at Indiana University

Students who want to pursue credit by examination at Indiana University should consult with their General Studies academic advisor counselor.

### Credit Awarded through Nondepartmental Examinations

Indiana University awards credit for Advanced Placement (AP) Examinations, College-Level Examination Programs

(CLEP), Defense Activity for Non-Traditional Education Support (DANTES) examinations, and ACT-PEP Regents (Excelsior) College examinations on the basis of policy established by IUPUI faculty for awarding degrees. Students should consult with their General Studies academic advisor as to the options available through nondepartmental examinations.

Students will not receive credit by taking DANTES, CLEP, or ACT-PEP Regents (Excelsior) College examinations for courses for which they have already received credit. Credits awarded on the basis of CLEP and DANTES scores will not be considered as after-admission or Indiana University credit hours.

Students should request that official transcripts of their AP, CLEP, DANTES, and ACT-PEP Regents (Excelsior) College examination scores be sent directly to the IUPUI General Studies office.

### **Credit Awarded for Educational Programs in Noncollegiate Organizations**

The School of Continuing Studies will consider the evaluation and credit recommendations of the following two publications when awarding credit to students who have successfully completed noncollegiate or in-company sponsored programs/courses:

- American Council on Education, The National Guide to Educational Credit for Training Programs
- The University of the State of New York, A Guide to Educational Programs in Noncollegiate Organizations

Students must request that official records of program/course completion be sent directly from the awarding organization. Students must also submit a complete description of the program/course, preferably a copy of program/course literature or an explanatory letter on the organizations letterhead stationery. For assistance with requests for transcripts or program/course descriptions, students may contact their General Studies academic advisor.

### **Military Service Credit**

Indiana University adheres to the American Council on Education's Guide to Evaluation of Educational Experiences in the Armed Services in granting students credit on the basis of education gained through military service, schools, and experience. To receive credit for their military service background, students must submit copies of their official discharge (DD214), AARTS, SMARTS, Community College of the Air Force, or Defense Language Institute transcripts.

## **Faculty**

### **Administrative Officers**

- Daniel J. Callison, Ed.D., Dean and Professor
- Bruce Colston, Ed.D., Assistant Dean and Director of IU High School
- Eileen Balliet, J.D., Research Associate
- John P. Beeson, M.A., Executive Director, Office of External Affairs
- Lisa Denlinger, B.A., Executive Director, Office of Marketing and Communication

- J. Susan Straub, Executive Director, Office of Financial Administration

### **General Studies Degree Program-Campus Directors**

- Saundra Brown-Gordon, M.S., Manager, Credit Programs, Indiana University Southeast (New Albany)
- Fred Hakes, M.S., Director, Indiana University Kokomo
- Renee Betts, M.S.W., Director, Indiana University-Purdue University Indianapolis
- Julie Hook, Ed.D., Indiana University-Purdue University Fort Wayne
- Paul Joray, Ph.D., Director, Indiana University South Bend
- Bob Lang, M.S., Academic Advisor, Indiana University East (Richmond)
- Attila Tuncay, Ph.D., Chairperson, Indiana University Northwest (Gary)
- Vickie Welsh-Huston, Director, Indiana University-Purdue University Columbus
- Ron White, Ed.D., Director, Indiana University Bloomington

### **Department of Adult Education**

- Frank Disilvestro, Ed.D., Associate Professor and Chair
- Daniel Callison, Ed.D., Professor and Dean
- Henry S. Merrill, Ed.D., Associate Professor
- Jeani Young, M.S.Ed., M.S., Ph.D Candidate, Lecturer and Program Coordinator

## **Courses**

**SCS-G 399 Special Topics: General Studies Internship (3-6 cr.)**

**SCS-I 499 Independent Study Enrollment (1-3 cr.)**
