Student's Catalog Year: Fall 2019 and beyond
Total Degree Map Credits: 120–121

Description: It is expected that students complete 30 credit hours of coursework per year. If fewer than 30 credits are completed successfully during the Fall or Spring semesters, or if developmental (non-credit) courses must be taken as prerequisites to required courses (e.g., Math 00100), students are expected to enroll in coursework during the Summer terms to get back on track for an on-time graduation.
Please note: a minimum cumulative GPA of a 2.5 or higher is required to remain in good standing within the School of Education.

The elementary education program prepares graduates to meet standards for teaching in K-6 settings. Students are prepared according to the standards established by the Indiana Professional Standards Board. In addition, ...   more ▼

C **Critical Courses:** Courses that students should complete by specific points during their degree or certificate program.

M **Milestones:** Conditions or activities that students should complete by specific points during their degree or certificate program.

Completing a critical course or milestone by the associated term is considered crucial to on-time graduation.

Achieving minimum grades for individual courses may not result in meeting cumulative GPA requirements for admission to programs or for graduation. Verify requirements with your academic advisor or your Academic Advisement Report (AAR).

Completing 30 credit hours each calendar year is required for full state financial aid eligibility. Be sure to complete your FAFSA before March 10 each year. If you follow your map and find a course unavailable, you may be eligible to take that course for free in a future semester.
