

# Elementary Education BSED-TSAP TSAP

IUPUI Indianapolis School of Education

[Career Options](#) | [Financial Aid Options](#)

**Student's Catalog Year:** Fall 2019 and beyond

**Total Degree Map Credits:** 59

**Description:** The elementary education program prepares graduates to meet standards for teaching in K-6 settings. Students are prepared according to the standards established by the Indiana Professional Standards Board. In addition, students are immersed in programs of study that challenge them intellectually with new models of instruction and explorations of diversity. All students spend significant time in community schools where they learn the importance of social justice and democratic practices. They learn to tap the wealth of assets in Indianapolis as they hone their expertise as discipline-based teachers and passionate professionals. The School of Education is committed to preparing teachers who want to make a difference and have the knowledge and... [more](#) ▼

**C Critical Courses:** Courses that students should complete by specific points during their degree or certificate program.

**M Milestones:** Conditions or activities that students should complete by specific points during their degree or certificate program.

**Completing a critical course or milestone by the associated term is considered crucial to on-time graduation.**

Achieving minimum grades for individual courses may not result in meeting cumulative GPA requirements for admission to programs or for graduation. Verify requirements with your academic advisor or your Academic Advisement Report (AAR).

Completing 30 credit hours each calendar year is required for full state financial aid eligibility. Be sure to complete your FAFSA before March 10 each year. If you follow your map and find a course unavailable, you may be eligible to take that course for free in a future semester.
